

DAY 7 - LIVE DEPLOYMENT AND POST-LAUNCH PRACTICES (Morent Car Rental Website)

I. Go Live Practices:

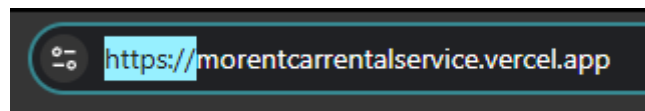

A. Environment Setup:

- Configured production environment variables securely.
- Ensure all sensitive data (e.g., API keys, database credentials) is encrypted and stored securely.

B. Secure Hosting:

- We are using Vercel as reliable hosting provider, it provides SSL certificate by default.

C. Codebase Management:

- I'll keep the production repository as private, once all related work will be completed,

D. Business Pitch Deck:

- Click on below link to check pitch ppt file
